

Comprehensive Privacy Statement

We collect, process (save, modify, transmit, block, delete) and use personal data such as:

- inventory data (data for the establishment, material content or modification of a contractual relationship for the use) such as name, address, email address, telephone or fax number, date of birth, user ID, IP addresses,
- usage data (data required to permit the use of services, to bill for such services), such as characteristics to identify the user, information about the start and end as well as the scope of the respective usage and the services used by the user.

We collect, save, modify, transmit and we use personal data in accordance with the provisions of the German Federal Data Protection Act (BDSG)

- to determine the purpose of the contractual relationship,
- to protect our legitimate interests,
- to protect the legitimate interests of third parties,

We collect personal data during 'registration' as part of the contractual agreement about the use of our offers. In places where we collect personal data, we require your consent to the collection, processing and use of personal data.

In certain areas of our website we use cookies. These are identifiers that allow us to offer more individualised services during the use of our website. We do not use cookies to collect personal data.

We save personal data:

- after having obtained consent for the collection, processing and use of personal data,
- to the extent of the registration information and entries in databases and user accounts,
- online on the servers and storage media of the internet providers commissioned by us,
- offline on our own servers and storage media,
- on the basis of retention obligations imposed by law, the articles and memorandum of association and by contract as well as to secure data and to monitor data protection.

We have taken technical and organisational measures to protect personal data against loss, destruction, manipulation and unauthorised access.

We will modify personal data to the extent necessary to correct errors or to adapt the information to changes (e.g. change in name or address).

We transmit personal data:

- to the shipping service providers commissioned by us, as well as to credit institutions or internet payment service providers and subsequently to their data processing and contractual partners for the purpose of settling payments,
- to the service providers commissioned by us for advertising, market research and public opinion polling service providers,
- if necessary, to the bodies expressly indicated by law or courts to receive such data.

We delete personal data:

- if it is not permitted to save such data,
- if we no longer require them to perform the tasks within our sphere of responsibility,
- upon termination of the contractual relationship as well as the related retention periods stipulated by law, the articles and memorandum of association or by contract or in terms of other statutory provisions.

We block personal data if:

- we are not permitted to delete data on the grounds of retention periods stipulated by law, the articles and memorandum of association or by contract,
- we have reason to assume that the deletion of the data would affect the legitimate interests of the data subject,
- a deletion is not possible or only possible with a disproportionately high effort due to the specific nature of the storage method.

Requests for information (Sections 19, 34 BDSG), correction, deletion or blocking (Sections 20, 35 BDSG) can be sent to Detlef Sauer, Data Protection Officer, at mail@witt-sensoric.de.

Revocation of consent:

If you have expressly granted consent in the course of the order process, you may always revoke your consent for future purposes. You may revoke your consent for the receipt of the newsletter under the link 'Newsletter' by selecting the option 'Unsubscribe from newsletter'.

Analysis of your usage habits by web analysis cookies:

Access will be analysed by the Piwik software, using the 'AnonymizeIP' plug-in. This prevents the saving of fully qualified IP addresses.
